this revolutionary book presents a new conception of community and the struggle against capitalism in undoing work rethinking community james a chamberlain argues that paid work and the civic duty to perform it substantially undermines

freedom and justice chamberlain believes that to seize back our time and transform our society we must abandon the deep seated view that community is constructed by work whether paid or not chamberlain focuses on the regimes of flexibility and the unconditional basic income arguing that while both offer prospects for greater freedom and justice they also incur the risk of shoring up the work society rather than challenging it to transform the work society he shows that we must also reconfigure the place of paid work in our lives and rethink the meaning of community at a deeper level throughout he speaks to a broad readership and his focus on freedom and social justice will interest scholars and activists alike chamberlain offers a range of strategies that will allow us to uncouple our deepest human values from the notion that worth is generated only through labor
